SECTION 1 - ELIGIBILITY REQUIREMENTS:

- 3) The employee must have completed 10 years of continuous or non-continuous service in one or more County Department(s).
- 4) The employee must be an employee of Williamson County Government and not of any component unit, related organization, or other affiliated group.

- 6) Employees electing Retiree Health Insurance will be eligible to continue coverage only with the plan (single, single/spouse, single/family) that was in effect as of the date of the election for Retiree Health Insurance benefits. If there is a change in family status after the election date, (i.e. death of spouse), the employee will be allowed to decrease coverage from family to single, family to single/spouse, or single/spouse to single. Under no circumstances can the employee increase coverage from single to single/spouse, single to family, or single/spouse to family.

As long as available through our group health insurance carrier and if all of the following six requirements are met, employees who are SLEP and ECO SLEP members with IMRF will be considered eligible for Retiree Health Insurance as offered by Williamson County, Illinois:

- 7) The employee must be age 50 upon making the election for Retiree Health Insurance Coverage.

If an eligible County employee retires and elects employee/spouse plan continued coverage or employee/family plan continued coverage, the employee shall be responsible for 100% of the additional employee/spouse plan monthly premiums or the employee/family plan monthly premiums above the maximum of \$500 per month as stated by the plan.

Premiums payments due from eligible County retirees are due by the 5th of each month. Coverage shall be terminated for non-payment of premiums.

B. For SLEP IMRF and ECO SLEP IMRF retirees ages 50 to 55:

This section is only applicable to SLEP IMRF and ECO SLEP IMRF retirees who are age 50 to 55.

The County agrees to pay a percentage of each employee's monthly health insurance premium up to a maximum of \$500 per month per employee. The percentages will vary according to longevity. Employees, who meet the requirements as stated in Section 1, may obtain continued County Health Insurance by paying the employee's portion of premiums according to the following rate schedule:

<u>Years of Service</u>	<u>Employee Portion</u>	<u>County Portion</u>

Premiums payments due from eligible County retirees are due by the 5th of each month. Coverage shall be terminated for non-payment of premiums.

All SLEP IMRF and ECO SLEP IMRF members, upon turning age 55, shall abide by the same premium schedule as Regular IMRF and ECO IMRF members up to their respective Medicare eligibility dates.

C. For all Regular, ECO, SLEP, and ECO SLEP IMRF retirees who have reached the age of Medicare eligibility or who are otherwise eligible for Medicare:

This section is applicable to all Regular, ECO, SLEP and ECO SLEP IMRF retirees who have reached the age of Medicare eligibility or who are otherwise eligible for Medicare. Section 2A describes the benefits available to Regular IMRF and ECO IMRF retirees ages 55 to the date of Medicare eligibility. This section is also applicable to retirees who retire prior to their respective Medicare eligibility dates at whatever age and subsequently reach their respective Medicare eligibility dates while continuing coverage on the County's Group Health Insurance Plan.

- 5) The surviving spouse/family will be required to send written notification to the County as to the selection of continued coverage of the plan in place as of the date of death of the retiree for discontinuation of the retiree health insurance benefit.
- 6) The surviving spouse/family benefit may continue until the surviving spouse reaches age 65 or becomes otherwise eligible for Medicare.
- 7) Utilizing the surviving spouse/family benefit for secondary insurance coverage after age 65 or becoming otherwise eligible for Medicare will not be available to surviving spouses/families.

SECTION 3 – OTHER PROVISIONS

- 1) This plan is expressly provided for retired employees of the County. Therefore, premium schedules will be based on the retired employee's age and length of service.

- 7) As this is intended to be a continuation of coverage, all terms and conditions, inclusive of deductibles and out-of-pocket costs, of the County Health Insurance Plan will also apply to Retiree Health Insurance.
- 8) Currently, as per IRS codes and standards, the payment of premiums for Retiree Health Insurance on behalf of retirees is not a taxable event to the employee or to Williamson County for Federal Income Tax, Social Security/Medicare, or State of Illinois tax purposes. However, if the IRS codes or standards change, the County will abide by the most recent IRS codes and standards.
- 9) As the County's Health Insurance Plan's terms and conditions change or if plan participation levels are below cost/benefit ratios, the County reserves the right to amend this resolution and/or any provisions, inclusive of termination of the Retiree Health Insurance Plan, of the Retiree Health Insurance Plan benefits. Any amendments to this resolution or to any provisions of the Retiree Health Insurance Plan will be properly negotiated through collective bargaining procedures prior to adoption of any plan amendments.
- 10) If for any reason the Retiree Health Insurance Plan is terminated, the employees on the plan as of the termination date will continue to receive the benefits stated above up to their respective Medicare eligibility dates. As of the Retiree Health Insurance Plan termination date, no new employees will be eligible to be added to the plan.
