**AN ORDINANCE IN CONNECTION WITH BUILDINGS AND STRUCTURES
IN THE UNINCORPORATED AREAS OF WILLIAMSON COUNTY
WHICH MAY BE ABANDONED OR UNSAFE AND REQUIRE
DEMOLITION OR REPAIR**

WHEREAS, the Counties Code, 55 ILL. COMP. STAT. 5/5-1121 authorizes the County Board to demolish, repair, or enclose dangerous and unsafe buildings or uncompleted and abandoned buildings within the unincorporated territory of the County.

WHEREAS, the County Board considers it necessary to establish minimum standards governing the condition and maintenance of buildings, structures, and other physical things insofar as such condition and maintenance affect the public safety pursuant to said statute.

THEREFORE, be it ORDAINED by the Williamson County, Illinois, Board of Commissioners, that the following rules and regulations pursuant to statute are hereby adopted.

SECTION I: Petition to Demolish or Repair

- A. The County Board may demolish, repair, or enclose or cause the demolition, repair, or enclosure of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of the county, but outside the territory of any municipality, and may remove or cause the removal of garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from those buildings.
 - a. The County Board may upon a formal request by the city, village, or incorporated town demolish, repair or cause the demolition or repair of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of any city, village, or incorporated town having a population of less than 50,000.
- B. The County Board shall apply to the Circuit Court of Williamson County, Illinois, for:
 - a. An order authorizing action to be taken with respect to a building if the owner or owners of the building, including the lien holders of record, after at least 15 days written notice by mail to do so, have failed to commence proceedings to put the building in a safe condition or to demolish it; or
 - b. An order requiring the owner or owners of record to demolish, repair, or enclose the building or to remove garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from the building.
- C. It is not a defense to the cause of action that the building is boarded up or otherwise enclosed, although the court may order the defendant to have the building boarded up or otherwise enclosed.
- D. Where, upon diligent search, the identity or whereabouts of the owner or owners of the building, including lien holders of record, is not ascertainable, notice mailed to the person or persons in whose name the real estate was last assessed and the posting of such notice upon the premises sought to be demolished or repaired will be sufficient notice under this section.

- E. Costs associated with the demolition, repair, enclosure or removal by the County, including court costs, attorney's fees, and other costs related to the enforcement of the section is recoverable from the owner or owners of the real estate or the previous owner or both if the property was transferred during the 15 day notice period and is a lien on the real estate.
- F. Within 180 days after the demolition, repair, enclosure, or removal, the County shall file a notice of lien for the cost and expense incurred in the office of the Williamson County Clerk and Recorder. The Notice must contain the following:
 - a. A description of the real estate sufficient for its identification; and
 - b. The amount of money representing the cost and expense incurred; and
 - c. The date or dates when the cost and expense was incurred by the County.
- G. Upon payment of the cost and expense by the owner of or persons interested in the property after the notice of lien has been filed, the lien shall be released by the County, and the release may be filed of record as in the case of filing the notice of lien.
- H. All liens arising under this Section shall be assignable and the assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under Section II.
- I. If the appropriate official of the County determines that any dangerous and unsafe building or uncompleted and abandoned building within its territory fulfills the requirements for an action by the County under the Abandoned Housing Rehabilitation Act, the County may petition under that Act in a proceeding brought under this Section.

SECTION II: Enforcement of Lien/Foreclosure

- A. When the County has obtained a lien pursuant to Section I, the County may enforce the lien under this Section in the same proceeding in which the lien was authorized.
- B. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien.
- C. The County shall file a petition with the Williamson County Circuit Court requesting the Court to retain jurisdiction for foreclosure proceedings under this Section.
- D. Notice shall be served, by certified or registered mail, on all persons who were served notice under Section I.
 - a. All persons designated in Section 15-1501 of the Code of Civil Procedure as necessary parties in a mortgage foreclosure action shall be joined as parties before issuance of an order for foreclosure. Persons designated in Section 15-1501 of the Code of Civil Procedure as permissible parties may also be joined as parties in the action.
- E. The Court shall conduct a hearing on the petition and if the Court determines the requirements of this Section have been satisfied, the petition may be granted and the Court would retain jurisdiction over the matter until foreclosure is completed.
- F. The costs of foreclosure incurred by the County, including court costs, reasonable attorney's fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the County from the owner or owners of the real estate.

- G. If the Court denies the petition, the County may enforce the lien in a separate action as foreclosure proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures.
- H. The provisions of Article XV of the Code of Civil Procedure applicable to mortgage foreclosures shall apply to the foreclosure of a lien under this Section, except to the extent that those provisions are inconsistent with this Section.
 - a. For purposes of foreclosures of liens under this Section, however, the redemption period described in subsection (b) of Section 15-1603 of the Code of Civil Procedure shall end 60 days after the date of entry of the order of foreclosure.

SECTION III: Abandoned Property

- A. The County may petition the Court to have property declared abandoned if:
 - a. The property has been tax delinquent for 2 or more years or bills for water service for the property have been outstanding for 2 or more years; and
 - b. The property is unoccupied by the persons legally in possession; and
 - c. The property contains a dangerous or unsafe building.
- B. All persons having an interest in the property, including tax purchasers and beneficial owners of any Illinois land trust having title shall be named as defendants in the petition and served with process pursuant to Section 2-206 of the Code of Civil Procedure.
- C. The County may proceed under this Section in a proceeding brought under Section I of this Ordinance. Notice of the petition shall be served by certified or registered mail on all persons who were served notice under Section I.
- D. If the County proves the conditions described in this Section III(A) exist and the owner of record of the property does not enter an appearance, or if the title is held by an Illinois land trust and neither the owner of record nor the owner of the beneficial interest of the trust enters an appearance, the Court shall declare the property abandoned.
 - a. If the Court declares the property abandoned, notice shall be sent by certified or registered mail to all persons having an interest of record in the property, as stated above, stating that title to the property will transfer to the County unless, within 30 days of the notice, the owner of record enters an appearance in the action or unless any other person having an interest files with the Court a request to demolish or repair.
 - b. If the owner of record enters an appearance in the action within those 30 days, the Court shall vacate the order declaring it abandoned and the County may amend the petition to proceed under a Section I petition.
 - c. If a request to demolish or repair is filed by a person having interest within those 30 days, the Court shall grant permission to demolish within 30 days after the request is granted or to repair to a safe condition within 60 days after the request is granted. More time will be given for good cause shown. If more than one person with an interest files a timely request to demolish or repair, preference will be given to the lien with the highest priority.
 - i. If the requesting person subsequently proves they have demolished the building or repaired it back to a safe condition within the time period granted by the Court,

the Court shall issue a quitclaim judicial deed for the property to the requesting party that conveys only the interest of the owner of record, upon proof of payment to the County of all costs incurred by the County in connection with the action, including but not limited to court costs, attorney's fees, administrative costs, the costs, if any, associated with building enclosure or removal and receiver's certificates. The interest shall be subject to all liens and encumbrances on the property. If the property is conveyed to a tax purchaser, it will still be subject to the rights of redemption of all persons entitled to redeem under that Act including the original owner.

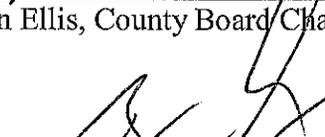

- d. If no person with an interest files a timely request to demolish or repair, or if a requesting party failed to demolish or repair within the time specified by the Court and no entry of appearance by the owner of record is filed, the County may petition the Court to issue a judicial deed for the property to the County. The judicial deed shall operate to extinguish all existing ownership interests in, liens on, and other interests in the property, including tax liens.

Explanations WILLIAMSON COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.
