

WILLIAMSON COUNTY GOVERNMENT
WILLIAMSON COUNTY, ILLINOIS
FINAL ANNUAL BUDGET
YEAR ENDING NOVEMBER 30, 2021

WILLIAMSON COUNTY GOVERNMENT, ILLINOIS BUDGET POLICIES

INTRODUCTION

In preparing the County's 2021 budget, the County Commissioners made the decision early on to work together to find the best possible path for all so that the services to our Williamson County residents would remain as consistent as possible during these uncertain times.

We would like to thank our officeholders in advance for their understanding of and compliance with the 2021 budget. Our focus started and remained on keeping the services to our County residents as consistent as possible.

The board acknowledges that other cost saving measures may need to be implemented during the fiscal year ending November 30, 2021.

The County is restricted under the statutory limitations of the property tax extension limitation law (PTELL.) PTELL is commonly referred to as "tax caps." For the 2020 payable 2021 real estate tax cycle, the consumer price index is 2.3%. The estimated growth in our EAV from new properties is approximately 2.5%.

The tentative 2021 budget will be posted on November 18, 2020. The tentative 2021 budget will be posted for a minimum of 15 days. The tentative 2021 budget will be posted on the County website at www.williamsoncountyil.gov on November 18, 2020. The County Board reserves the right to change the tentative budget prior to final adoption. Any changes will be made in accordance with the Illinois Compiled Statutes.

The final 2020 budget and appropriations ordinance will be posted on the County's website on December 4, 2020. The County's website is www.williamsoncountyil.gov.

For questions, comments, or concerns regarding the tentative or final budget documents, the County Board can be contacted at (618) 997-1301 ext. 135. Paper copies of the tentative or final budgets for any other interested parties will be provided upon request.

BUDGETARY STATUTORY REFERENCES

55 ILCS 5/6-100, 55 ILCS 5/6-1002, 55 ILCS 5/6-1002.5, and 55 ILCS 5/6-1003 describe the budget requirements for an Illinois County.

BUDGET DEVELOPMENT PROCESS

The budget development process begins approximately 3 months prior to the beginning of the fiscal year. Williamson County requires department budget requests to be performance-based and focused on goals, objectives, and performance indicators.

General budget preparation instructions are provided for the department preparation portion of the process. Department Heads and Elected Officials are asked to complete the preparation of

individual department budgets for which they are responsible, with submission to the County Commissioner's Office when requested.

The County Commissioner's Office completes revenue projections and consolidates all gathered information into a comprehensive budget request as a whole to be presented to the County Board.

The department heads, elected officials, and officials of governing boards with county budgets, present their budgets to the County Board at open meetings, and engage in question and answer sessions with the board members. The documents are provided to the members of the County Board in advance of the Budget Hearings so that County Board Members have the opportunity to review and prepare before meeting with the department heads and elected officials.

The County Board places the budget on file in November to allow for public review and comment, as required by 55 ILCS 5/6-1001. The County Board also conducts a Truth in Taxation Public Hearing prior to the last Tuesday in December, if the annual tax levy will increase by more than 5%, as required by 35 ILCS 200/18-70.

The County Board adopts and approves the annual Budget and Appropriation Ordinance to establish the budget for the ensuing fiscal year. The adoption of the budget requires an affirmative vote of at least a majority of all members of the County Board. The adoption of the budget constitutes appropriation of the amounts specified therein as expenditures from the funds indicated.

BUDGET PRIORITIES

1. Williamson County places priority on improving and enhancing its own fiscal stability.
2. Develop and maintain long-term plan for County's facilities.

BUDGET GOALS

Priority No. 1: Acknowledge and address the County's Workman's Compensation and General Liability Costs. It is the County Board's intention that these increases in costs will be managed in the best interests of the taxpayers.

Priority No. 2: Improving and enhancing Williamson County's fiscal stability with the:

- Development and implementation of a multi-year plan – planned quality growth,
- Performance evaluation of services,
- Establishment and maintenance of adequate reserves within County's fund balances,
- Regular review and evaluation of revenue streams and opportunities,

- Interdepartmental cooperation to identify successful strategies to be implemented across departmental lines,
- Partner with other local governments to provide collaboration in service delivery, and
- Develop communication with state legislative officials to ensure the State is a full partner in the funding of mandated services

Priority No. 3: Develop and maintain long-term plan for the County's capital assets:

- Develop and maintain an updated condition assessment of the County's capital asset items,
- Budget appropriate reserves to maintain operable fixed assets for rapidly depreciable capital assets,
- Schedule workforce and budget appropriation to accomplish annual inspections of capital assets,
- Consistently assess opportunities for grant funding to upgrade/maintain capital assets.

FISCAL YEAR

The County's fiscal year is December 1 through November 30.

BUDGETARY CONTROL

The County's budget process is governed by Illinois Compiled Statutes and Williamson County Board Rules. Annual budget ordinances governing appropriations, property tax levies, and interfund transfers are passed by the County Board prior to the beginning of the new fiscal year. Budgetary control is exercised at the account level to ensure that actual expenditures and outstanding encumbrances do not exceed available budget amounts. The County Board reviews and approves the budget's detailed accounts. The detailed budget is available on the County's website at www.williamsoncountyil.gov. Illinois Compiled Statutes require that any revisions (i.e., budget transfers, additional appropriations) to the original appropriations be adopted by a two-thirds majority of the County Board. All appropriations in each annual budget terminate with the end of the fiscal year. However, any remaining balances are available for approximately 30 days after the close of the fiscal year for the payment of obligations incurred prior to the close of the fiscal year.

Appropriations of governmental funds are encumbered upon the issuance vouchers, contracts, or other forms of legal commitments. Outstanding orders for goods and services that have not been received are accounted for as a committed fund balance for a specific purpose. The encumbrance system assures that any amount over existing commitments can only be paid with available

unobligated funds in the corresponding line item. If this is not possible, a budget transfer must be processed, or appropriation increased.

Timely financial information related to budget and cost control is provided to all department directors and elected officials by means information generated by the County's accounting software program.

BUDGET TRANSFERS

All budget transfers require a 2/3rd majority vote of the County Board.

APPROPRIATIONS

All County funds are appropriated in the County's budget and appropriations ordinance. Appropriations will be considered the maximum authorization to incur obligations and not a mandate to spend.

BALANCED BUDGET

The County will make all current expenditures with current revenues, avoiding procedures that balance current budgets by postponing needed expenditures, realizing future revenues early, or rolling over short-term debt. A budget ordinance is balanced when the sum of estimated net revenues and appropriated fund balances is equal to appropriations.

BUDGET PROCESS

The Board will hold budget meetings, as appropriate, with County-wide Elected Officials and Department Heads, to develop and approve budget recommendations to the County Board. Such meetings are open to the public for comment and input. Upon completion of appropriate Board review and approval, departments and Elected Officials submit any revisions to their budget materials to the County Board. The County Board meets with County-wide Elected Officials and Department Heads to go over their budget requests, compiles and reviews department requests and other submission information; develops spending and revenue estimates, budget scenarios, and options for review.

A Truth in Taxation hearing, if required and all public hearings on proposed final budget will be held before December 1st of each year. The County Board approves the final annual budget before December 1st of each year.

PUBLIC HEARINGS

All Public hearings regarding the budget process, tax levies, truth in taxation, and appropriations will be held in the Williamson County Boardroom at the Williamson County Administration Building or other location as advertised by the Board in Marion, IL and will be posted in accordance with the open meetings act.

COUNTY ACCOUNTING STRUCTURE

The County's finances are identified by funds, depending on the nature and legal use of fund source, for both accounting and budgeting purposes. For both purposes, funds are segregated into three main fund types: governmental, proprietary, and fiduciary.

The County's financial structure begins with funds. Each fund is accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Several types of funds are budgeted.

BASIS OF BUDGETING

The County's budget is developed on a cash basis, due primarily to income being recognized once received. The County recognizes transactions or events when related cash amounts are received or disbursed. However, estimated modified accrued expenses, as it impacts availability of resources for appropriations are considered in budget development. This is done by limiting appropriations to estimated cash revenues. Budget appropriations and interfund transfers are set to estimated fiscal year cash receipts. Final reconciliation of accrued expenses takes place in the spring once the prior year is closed.

FUND TYPE DESCRIPTIONS

Governmental Funds – Most of the County's basic services are included in governmental funds. The General Fund is the main operating fund of the county and the largest of the governmental funds. Fund income is comprised of various sources for non-dedicated purposes. Remaining governmental funds, which include special revenue funds, debt services funds and capital project funds, are considered non-major governmental funds.

Fiduciary Funds – Fiduciary funds are used to account for resources held for the benefit of parties outside the government. The County's fiduciary funds consist of agency funds, which are used to account for monies received, held and disbursed, as required by statute.

FUND DESCRIPTIONS

General Fund

The General Fund is Williamson County's chief operating fund. It is the primary funding source for elected officials and County support functions, covering basic governmental activities such as public safety, legal and judicial operations, community and human services, county administration, property assessment and tax collections.

The fund is funded primarily by general, unassigned revenue streams such as sales tax, income tax, various undesignated charges and fees and the General Fund portion of the property tax levy.

Special Revenue Funds

Special Revenue funded programs are restricted by dedicated purpose revenues. For example, motor fuel and gas taxes are generally restricted to transportation related purposes.

Debt Service Funds

Debt Service Funds are utilized to account for the payment of interest, principal, and related costs on the County's general long-term debt. The County has one debt services fund. The fund is for the repayment of the bonds issued for the construction of the Williamson County Jail.

Capital Projects Funds

Capital Project Funds are used to account for all expenditures and revenues associated with the acquisition or construction of major facilities that are not financed through proprietary funds or funds being held for other governments.

Capital Improvement Fund

The County intends to maintain all its assets at a level adequate to protect the County's capital interest and to minimize future maintenance and replacement costs.

The County will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted and included in the Capital Improvement Fund plan.

The County Board is authorized to approve all expenditures from the Capital Improvement Fund in compliance with the multi-year plan and policies established by the County Board. No more than 3% of the total of the General Corporate Fund Appropriation may be appropriated annually to the Capital Improvement Fund.

FORM OF BUDGET

The final Budget document must include the following, showing specific amounts:

- Statement of financial information including a projection of the prior year's revenue and expenditure totals, and the ensuing year's revenue and expenditure projections.
- Statement of all moneys in the county treasury unexpended at the termination of the last fiscal year.
- Any additional information required by state law.

REVENUE POLICIES

Sources of Revenue

The County will try to maintain a diversified and stable revenue system to shelter it from unforeseeable short-run fluctuations in any one-revenue source.

The County will estimate its annual revenues by an objective, analytical process, wherever practical. The County will project revenues for the next year and will update the projection annually. Each existing and potential revenue source will be re-examined annually.

One-Time Revenues

To the extent feasible, one-time revenues will be applied toward one-time expenditures; they will not be used to finance ongoing programs. On-going revenues should be equal to or exceed ongoing expenditures.

Grants

The Williamson County Board supports efforts to pursue grant revenues to provide or enhance County mandated and non-mandated services and capital needs. Activities which are, or will be, recurring shall be initiated with grant funds only if one of the following conditions are met: (a) the activity or service can be terminated in the event the grant revenues are discontinued; or (b) the activity should, or could be, assumed by the County (or specific fund) general and recurring operating funds. Departments are encouraged to seek additional sources of revenue to support the services prior to expiration of grant funding.

Financial Reserves and Surplus

On an annual basis, the fund balance for each fund shall be reviewed, and projections of reserve requirements and a plan for the use of an excess surplus shall be documented.

It is the intent of the County to use all surpluses generated to accomplish three goals: meeting reserve policies, stabilize cash General Fund cash flow when needed, and the avoidance of future debt obligations.

Property Tax

The property tax rates for each levy shall be calculated in accordance with the Property Tax Extension Limitation Law.

User Fees

The County charges user fees for items and services, which benefit a specific user more than the general public. State law or an indirect cost study determines the parameters for user fees. The County shall review all fees assessed in its annual budget preparation process to determine the appropriate level of fees for services and recommend any proposed changes to the fees collected to be implemented in the ensuing budget year.

ACCOUNTING POLICIES

Accounting/Auditing

State statutes require an annual audit by independent certified public accountants. The County follows generally accepted accounting principles (GAAP). The County uses an accounts receivable system to accrue revenues when they are measurable for governmental fund types. Departments should bill appropriate parties for amounts owed to Williamson County, review aging reports, complete follow-up information about the account, and monitor all accounts receivables.

Debt Management Policies

When applicable, the County shall review its outstanding debt for the purpose of determining if the financial marketplace will afford the County the opportunity to refund an issue and lessen its debt service costs. In order to consider the possible refunding of an issue a Present Value savings of three percent over the life of the respective issue, at a minimum, must be attainable.

The County will confine long-term borrowing to capital improvements or projects that cannot be financed from current revenues.

When the county finances capital projects by issuing bonds, it will pay back the bonds within a period not to exceed the estimated useful life of the project.

The County will strive to have the final maturity of general obligation bonds at, or below, forty years. Whenever possible, the County will use special assessment, revenue, or other self-supporting bonds instead of general obligation bonds, so those benefiting from the improvements will bear all or part of the cost of the project financed.

The County will not use long-term debt for current operations.

The County will maintain good communications with bond rating agencies regarding its financial condition. The County will follow a policy of full disclosure on every financial report and borrowing prospectus.

FIXED ASSETS

The County maintains a fixed asset inventory of furniture, equipment, buildings, and improvements with a useful life of one year or more.

INVESTMENT

The County Treasurer is responsible for the investing of all Williamson County funds.

With County Board approval, the Treasurer may make a short-term loan of idle monies from one fund to another, subject to the following criteria:

- a. Such loan does not conflict with any restrictions on use of the source fund.
- b. Such loan is to be repaid to the source fund within a twelve-month period.

PURCHASING

All items with an expected value of \$30,000 or more must be competitively bid with exceptions for professional services (other than engineering, architectural or land surveying services). Additional competitive bid requirements may apply by statute or as a condition of using funds from an outside source. All purchases over the respective limit of \$30,000, which require the use of either formal bids or requests for proposals, must be approved by the full Williamson County Board.

PASS-THROUGH & FIDUCIARY FUNDS

Pass-through and fiduciary funds are indicated with an asterisk on the table of contents page. These funds represent funds that are passed through to other funds in the County or are held in a fiduciary nature.
