

# TAX SALE INFORMATION

## What is a Tax Sale?

By Illinois State Statutes {35ILCS200} the county collector/treasurer is required to sell any taxes that have not been paid in full for the current tax year.

- We do not sell the house; again, we sell only the unpaid taxes.
- At the sale, a tax buyer pays/buys the taxes, then the county collector distributes the money from the sale to each of the taxing bodies to make them whole.
- After the sale is completed the homeowner of record deals directly with the Williamson County Clerk's office for the redemption.
- The longer time between the sale and redemption, the higher the penalty is likely to be.
- Hopefully, this sheds a little light on the tax sale process. If you have questions or concerns, please call the Treasurer's Office at 618-998-2142 x5662.
