Williamson County Real Estate Property and Mobile Home Tax Prepayment Program

All prior year's taxes MUST be current to participate in this program.

DETAILS OF THE PROGRAM:

This application will entitle the owner of the parcel(s) listed below located in Williamson County, Illinois, to make prepayments toward their next tax bill(s). The submission of this application does not obligate a person to make prepayments. Your prepayments will be based on the prior year's tax bill(s). We cannot guarantee that any amount of prepayment will pay the next year's bill(s) in full. Payments must be in the form of cash or check only; no credit card, online or automatic bank draft payments accepted. A minimum of $20.00 is required to make a prepayment. Prepayments may be made in person or by mailing to the address listed above. If you are paying multiple parcels, please indicate how much you want applied to each parcel. You will still receive your annual tax bill(s) in the mail. It will reflect any prepayments that have been made. Once the annual tax bills are sent out, payments will be in two installments. Prepayments will be deducted from the amount of the first installment amount due, then the second installment amount that is due. If there is an overpayment, it is your responsibility to request the refund. The prepayment transaction will be cancelled and an returned check fee of $25.00 will be assessed to all checks returned by the bank for any reason.
